

FONDACTIONS

The architectural foundation plan illustrates the structural layout of a building complex. It features a grid of columns and beams, with specific areas designated for different functions. The plan includes various structural details, dimensions, and annotations.

Key Areas and Labels:

- SALLE DE COURS**: A large central area, likely a courtyard or main hall.
- URD**: A specific structural or functional area.
- Atelier Electricité Industrielle**: Industrial electricity workshop.
- Atelier Electricité de Bâtiment**: Building electricity workshop.
- Atelier Plombie Sanitaire**: Plumbing and sanitation workshop.
- Atelier Coupe et Couture**: Cutting and sewing workshop.
- Atelier Menuiserie Aluminium**: Aluminum carpentry workshop.
- Atelier Automatisme**: Automation workshop.
- Atelier Bois**: Wood workshop.
- RVA**: A specific structural or functional area.

The plan also includes various structural details, dimensions, and annotations, such as column labels (P1, P2, P3, P4, P5, P6, P7, P8, P9, P10, S1, S2, S3, S4, S5, S6, S7, S8, S9, S10), beam labels (LG1, LG2), and various structural symbols and dimensions.
