

Architectural floor plan of the first floor of the 'Maison à l'Écluse'. The plan shows a central 'HSD 5.00m' (Haut-Service Descente) area with a circular feature and a radius of 2.00m. To the left is the 'LOCAL TRAITEMENT D'EAU' (Water Treatment Room) and to the right is the 'CHAUFFIERIE' (Boiler Room). Below these is the 'LOCAL TECHNIQUES' (Technical Room). The plan includes various rooms, corridors, and a staircase. Dimensions are provided for the overall footprint and internal spaces. The plan is oriented with North at the top.

Architectural elevation drawing of the rear facade (FACADE ARRIERE) of the 'Maison de la Vallée'. The drawing shows a long, low building with a series of vertical supports and a large, flat roof. The elevation is marked with a grid and includes height indicators: +0.60, +0.50, and +0.20. A small section on the right is labeled '1'.

This architectural section drawing illustrates a building's internal structure. On the left, a staircase is shown with a landing area. The main part of the building is a long hall with a high ceiling, supported by a series of vertical columns. The roof structure is labeled 'BARDAGE METALLIQUE'. The drawing includes various dimensions and elevations, such as +0.00, +0.40, +5.40, +1.20, -1.20, and -2.00, indicating different levels and heights within the structure.

Architectural section drawing of a building. The drawing shows a cross-section with various rooms and structural elements. Key features include:

- Rooms and Spaces:** A central corridor, several rooms with doors, and a large room with a staircase.
- Dimensions:** Vertical dimensions of 4.00 and 3.00 are shown. Horizontal dimensions of 3.00 and 3.00 are also indicated.
- Level Markers:** Elevation markers are present at +5.40, +1.20, -2.00, and -0.00.
- Structural Elements:** The drawing shows walls, doors, windows, and a staircase.
